

To,  
The District Magistrate,  
Dehradun

Dated 04/11/2011

489/NIC/SWAN/2011

**Sub:- Regarding disconnection of Electricity Connection in SWAN  
Centre of Rishikesh Tehsil .**

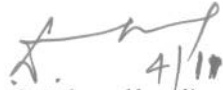

Sir,

This is to request that as informed by the field engineer of SWAN centre Rishikesh Tehsil the electricity connection of the SWAN centre has been disconnected today by UPCL due to non-payment of electricity bill since the commissioning of the SWAN PoP. Various connectivities like Treasury , Trade tax and citizen centric applications like Janadhar are being run through SWAN connectivity and due to disconnection of electricity these services will stop. There are clear orders by the state government (GO attached) that the bills of electricity are to be paid by the nodal officers of the concerned SWAN centre. The same condition seems to be with other SWAN centres also.

Hence it is requested to kindly urgently issue necessary instructions to all concerned nodal officers of the SWAN PoPs in this regard.

With regards

Yours Sincerely

  
(D C Thapliyal)  
DIO,  
NIC District Centre  
Dehradun.
